A SAFE TEST

For those who are in need of a remedy for kidney troubles and backache, it is a good plan to try Doan's Kidney Pills. They are strongly recommended by people in this vicinity.

Robert J Cook, 245 N. Stratton St., Gettysburg, Pa., says: "My kidneys got out of fix. I felt mighty lame in the small of my back mornings and when I tried to bend sharp, stinging pains ran through my back. When I went to lift anything a pain cut me in my back which felt as if it were pulling me down. My kidneys seemed congested and were inactive. Doan's Kidney Pills had been used in my family so I got some. They went right to the trouble and fixed me up and put my kidneys in good condition again."

LIABILITIES OVER A MILLION

The Wm. E. Duff company, of York, dealers in cachines and machine tools, is in the midst of bankruptcy proceedings. A voluntary petition of bankruptcy has reached by mail the United States District court at Scranton and the company offices are closed. Mr. Duff, it is stated, is in California. The company is reported to have branch offices in San Francisco, Cal., and Tokio, Japan. The petition for a decree of bankruptcy sets forth, it is learned, liabilities of more than a million dollars—$1,012,000. The assets are about $420,000 The Duff company had supplies of machines and tools in Japan, it is claimed, and sustained considerable loss through the earthquake. Duff's spectacular rise in York's business life occurred to a great extent during the World War, when he was awarded a number of large contracts by the government and from firms in foreign countries embroiled in the conflict. He learned the principles of the machinery business as a road salesman for the Fulton, Mehring & Hauser company. Recognition said to have been denied him by one of the firm's head men is said to have instilled in him the decision to start for himself. With practically no capital to start him, Duff succeeded in obtaining a limited credit from a York bank and within a short time he had visions of a bright future. During the period of the war he was acclaimed by his intimate associates as "York's youngest millionaire"

Traveling across the continent covering a distance of about 4,000 miles in a 1-ton Ford truck which they used at night as sleeping quarters; to miss a tornado in Iowa by a distance of only 50 miles and a landslide and cloudburst of unusual severity in Utah near Salt Lake City, by about a week, were a few of the experiences of Mr. and Mrs. James Prosser, who on Wednesday reached Hanover, their former home, from Chico, California, after being on the way since August 26th. The Prossers lived in the West for 2½ years They will make their future home in Hanover.

The F. V. Topper Co., McSherrystown, have received information that the Tide Water Transportation Company, in which a number of McSherrystown people have stock, recently reduced their liabilities and are at present meeting their costs of operation If the same careful management continues, the company will evidently soon begin to pay dividends.

A kitchen shower was held at the home of Mr. and Mrs. Wm. B. Malaun, Hanover, Friday evening, in honor of their son Reginald F Malaun and bride, who were recently married at Westminster, Md. There were about thirty guests present.

A pleasant surprise party was held Friday evening at the home of Mrs. Susan Devine, residing near Edgegrove, in honor of her two daughters, the Misses Pauline and Amy Devine Music was furnished by Paul Bunty on the violin.

Mr. and Mrs. W. Riley Humbert, former Hanoverians, have moved from Monttursville to Gettysburg Mr. Humbert is a woodworker, and will be employed in the Gettysburg furniture factory.

G. Russell Tschop, Greencastle, was one of the 60 per cent. of the East Berlin H S alumni to reply to E M. Gruyer, principal.

MIDWAY CHILD STRUCK BY AUTO

Naomi Funk, 12-year-old daughter of Mr. and Mrs. Felix Funk, of Midway, was struck on Thursday by an automobile driven by Max Scheibel, of Brushtown, and thrown to the street, sustaining a fracture of the left arm above the elbow, a deep scalp wound and contusion of the head and body. The child with several others was playing along side of the street when she ran just as the machine was approaching and was struck by the fender. Mr. Scheibel stopped and with some neighbors carried her to the house where the fracture was reduced and surgical attention given by Dr. A. C. Rice, of McSherrystown. Simultaneous with the above accident, Mrs. Charles Small, residing near the Funk home, heard the screams of the child and in an attempt to climb a fence to get to the street, she fell, sustaining a severe injury to her left knee.

Mrs. Susan Kuhn was tendered a surprise birthday dinner at her home, in York, Sunday in honor of her 88th birthday anniversary, which occurred Monday The party was also in the form of a family reunion. About 25 persons were in attendance, some being from Abbottstown, McSherrystown, Hanover, and New Oxford, including Anthony Smith, wife and sons. Four generations were represented by Mrs. Kuhn, Mrs. Laura Kurtz, Harry Kurtz and Helen Kurtz.

The Rev. Dr. and Mrs. M. W. Lau, who reside along the Lincoln highway, east of Abbottstown, left on Tuesday for their home in Auburndale, Fla., where they will spend the winter as has been their custom for several past years. Mrs. Harry Lau and Mrs. George H. Lau, Detroit, Mich., were entertained for several days last week at the home of Dr. and Mrs. Lau.

Miss Helen Baker, Abbottstown, a student at Gettysburg college, participated in a pageant, "The Glory of Alma Mater," given in honor of the annual convention of the Woman's League of Gettysburg college on Thursday evening. The pageant was written by Mrs. Henry Hanson, wife of the recently inaugurated president of the college.

P. T. Brown, extension beef cattle specialist of State College, will address a meeting of the Adams County Livestock Association, Friday evening at 8 o'clock, in the Court House at Gettysburg. At this time it is the desire of the directors of the Association to find out the needs and decide on the policies to be adopted in buying cattle this year.

Guests from New Oxford were among those present at an enjoyable Hallowe'en party held last week at the home of Mr. and Mrs. Frank Carns, Hanover, for their daughter Dorothy.

The consistory of the Abbottstown Reformed congregation met at the home of Reuben Altland Thursday evening.

R. C. ROLL CALL STARTS SUNDAY

Plans tre being made by Miss Margaret McMillan, secretary, for the conduct of the 7th annual Roll Call of the Adams County Red Cross Chapter, which opens Armistice Day, November 11, and concludes Thanksgiving Day. Striking show-window display cut-outs and posters have been displayed throughout the county in preparation for the intensive drive for funds. It is stid those in charge of Red Cross work, that, while the treasury is not entirely depleted, it is not far from that condition, and that, unless the people of Adams county "come across" and support the movement through the coming Roll Call, the activities of Miss McMillan will have to be greatly curtailed. Pastors of all churches thruout the county will be asked to preach specitl Red Cross sermons on Armistice Day, the opening if the drive.

HUNTER KILLS OWN SON

Jacob Gilbert, Jr., 27 years old, was killed by his father while hunting in a woods near East Prospect, within a mile and a half of the Gilbert home. The two Gilberts and Joseph Burg formed the gunning party and had become separated. The elder Gilbert, noticing a stirring in a thicket and believing it was made by a rabbit, fired. When he went into the brush he found, instead of the rabbit, his son, bleeding from a gaping wound in the face and dead. He was unaware of his son's presence in the immediate neighborhood, and is prostrated and confined to his bed in a serious mental condition. The victim of the accident leaves a widow and child.

The Littlestown H. S. defeated the Arendtsville team of the Mason-Dixon soccer league at Littlestown, 2-1, on Wednesday.

When a style or a patent runs out Prices come down

Have you noticed all the low prices O'coats this Fall? Caused by the fact that the Overcoat business was pretty low last year.

These 1922 carry overs are reduced in cost because the styles were reduced in circumstances when these new models made their appearance.

We don't want a coat that the moth balls have given up as a bad job.

It's worth the little difference to get a new one—and you'll say so when you see the difference.

Our oldest Overcoat is 4 weeks old.

We celebrate no O'Coat birthday parties at Schmidt's

FAMOUS AUTHORS
A Series of Articles on Love, Marriage and Modern Women

The most vitally interesting problems of today are those that deal with love, marriage and the modern woman. So important are the questions pertaining to this trio of subjects that arrangements htve been completed for a series of articles discussing the questions involved by an array of writers greater than ever before assembled for a single symposium and all of the remarktble articles will appear in the Sunday New York American. Among the famous writers employed at tremendous cost for this series are Mary Roberts Rinehart, internationally known as a playwright and novelist; Gertrude Atherton, whose books htve a world-wide fame; Mrs. Gouvenier Morris, Rupert Hughes, Fanny Heaslip Lea, Mary Johnston, Zona Gale and others whose works are familiar to those who know the "best sellers". The first of this series of articles will appetr in the Sunday American next Sunday from the pen of Mrs. Rinehart who will tell her own life of super-happiness and super-success under the caption, "The best age for Marriage— 19 or 29", which will give carefully, thoughtful, worth-while advice to the young womanhood of today. The following Sundty Gertrude Atherton will have an article on "Should Early Marriages be Condemned." Ask your local dealer to save the Sunday New York American for you.

The condition of Mrs. Edw. Schuchart, residing on the Latimer Hoke farm, in Oxford township, who is undergoing treatment in the Warner hospital, Gettysburg, is improving.

Miss Caroline Lawrence, daughter of Charles Lawrence, McSherrystown, who underwent an operation for appendicitis at the Warner hospital, Gettysburg, is getting along nicely. The case was said to be an unusual one, as the appendix was walled into an abscess which had formed.

Elmer Wehler has sold his home in Gettysburg to Miss Rose Goulden.

Clifton H. Simpson, newspaper man of wide experience, has moved with family from Brooklyn, N. Y., to the former George W. Sheafer farm, near Gettysburg, which he recently purchased.

Herbert Treiber and wife to Ephraim Menchey and wife, a property in Penn township.

Two building lots in McSherrystown have been sold by F. V. Topper to Pius Horwedel, Conewago township, who also purchased two other building lots from Jacob E. Melhorn.

After an absence of 67 years, W. C. Ehrhart expects to return to Adams county to spend his declining years near Rock Chapel where he was born and lived until he was five years old. On Saturday, Mr. Ehrhart purchased the 182-acre farm of Charles C. Brown, in Tyrone township.

Henry M. Berkheimer, admr. of the estate of his son, Charles Berkheimer, sold the half interest in the property in Abbottstown, occupied by Mr. and Mrs. Nathan Smith and Mr. and Mrs. Harry Smith, to his daughter, Mrs. Nathan Smith, for $1,400.

The fine dwelling of Eddie Plank, erected in Gettysburg a few years ago, has been sold to the Druid fraternity, of Cettysburg college, at a price understood to have been in the neighborhood of $14,000. The fraternity has owned its own residence for a number of years, but felt the need of more modern quarters. Mr. Plank, it is understood, will retain possession until next September, before which time he will either buy or build another residence. Another of Gettysburg's recently erected dwellings was sold when Mrs. Gaynella K. Stover, widow of the late Dr. James G. Stover, of Bendersville, bought the residence of E. E. Slaybaugh. Possession will be given January first, when Mr. Slaybaugh and his family will move into an apartment.
